

22nd International Congress of Lymphology

Sydney, Australia

21st - 25th September 2009

Pre Congress Satellite
Cairns (Great Barrier Reef), Queensland, 19th - 20th September

Post Congress Satellite
Uluru (Ayers Rock), Central Australia, 26th - 28th September

Why Australia ?

Safe, Cheap, No crowds , Friendly people,
Great accommodation at all levels, Clean air,
pristine environment , unique animals.

The Main Congress

To be held in the Convention Centre Darling Harbour. The congress will emphasize and involve members of other discipline areas so we can learn together. The major foci will be early detection and prevention of lymphoedemas, new directions in management and treatment, Lymphogenesis and Lymphostimulation. Discussion of innovation and novel ideas will be welcomed.

Major highlights

See Sydney, The Barrier Reef and the Desert!

Come to one of the Most Beautiful Cities in the World (Sydney) and see the Harbour bridge, the Opera House, the Harbour as part of the main Congress. Come to the Pre Congress Satellite and explore the Barrier reef (swim with the fish see the coral). Come to the Post Congress Satellite and see Central Australia (watch the sun go down over Ayers Rock while having dinner, play a didgeridoo, visit the Olgas).
